

Food Distribution: Feed the Needy

In different occasions, EDRC feeds vulnerable poor people in the society since its inception in 2004. The “Feed the Needy Program” is undertaken with a view to working for the humanity through different methods and interventions. EDRC feeds cooked food and distribute food items among the poor. The major components of the program include the following.

- Distribution ready /cooked food
- Food Package distribution

This program is designed in such a manner that the most vulnerable groups and utter poor could be benefited. The

Month of Holy Ramadan.

Taking iftar arranged by EDRC

Since EDRC's have no reserved fund, EDRC always appeal local and international organizations to extend

EDRC organizes special feasts in different occasions for the disabled including the blind people. Besides the Iftar fest, EDRC distributes essential food staff to be consumed in the

SL	Food Items	QuantityPer family
1	Rice	20 KG
2	Lentil	01 KG
3	Onion	01 KG
