

Management of EDRC

Education and Development Research Council (EDRC) is administered by a Government Approved 7-member highly professional elected Board of Directors headed by a chairman. The chairman and the board members are volunteers. They are renowned university teachers and researchers by profession. There is also a General Body consisted of active members. The Board of Directors is elected by the members of the General Body for two years. The EDRC has been established to discharge responsibility towards humanity regardless of race, gender, ethnicity, class, location, religion, color, and social background.
